Notes for Dycie G. Weaver:

It is being assumed that Dycie is the one and same as Dicie female born in Sep 1883 to the parents William and Ida. Dicie is the name of a female or male. The census taker probably assumed the name Dicie was that of a female but was in reality the son Dycie born Sep 1883. The main reason for the assumption also is that Ida, Ora (William) and Orlin was living in NE, Custer county 4 houses from father-in-law William J McClellan and mother-in-law Nancy. This seems to tie them all together.

William is assumed to be father of Dycie/Dicie/Dice Weaver. 1900 NE federal census records list a Dicie Daughter age 16 born 1883. Dycie male was also born in 1883 Sep and it is beleived the census taker mistook name as that of a female, so he became a she.
